

2024 Annual & Event Sponsorship Opportunities

OUR LEGACY: The Women's Executive Council (WEC) was founded in 1972 by the late Dot Estes Ellis in order to involve the executive and professional women working in the downtown Orlando area with the Downtown Orlando Partnership (formerly the Orlando Central Business District or OCBD). During our 50-plus years, we have evolved but remain committed to empowering women in Central Florida by providing scholarships to those seeking higher education and encouraging women to be their best selves. This is accomplished with the help of our partnerships with businesses and organizations across the community. Our commitment to women scholars since 1987 has resulted in \$856,724 donated to 483 female students attending local colleges and universities. Scholarships are awarded in the amount of \$1,972 commemorating our founding year. We are currently accepting applications for scholarships from these institutions:

- Barry University
- Daytona State College
- FAMU College of Law Florida
- Institute of Technology
- Herzing University
- Rollins College
- Seminole State College
- Valencia College
- University of Central Florida

OUR MISSION: Women's Executive Council **unites** professional women by **creating** opportunities to recognize and **inspire** women leaders and students to serve our Central Florida **community**.

ANNUAL SPONSORSHIP: Annual sponsorships provide college scholarships and support to WEC throughout the year. Partner sponsorships that include scholarships will be awarded in their business name with their organization recognized and offered the opportunity to present to the scholar.

EVENT SPONSORSHIP: Event sponsors allow WEC to host various events throughout the year to help share our mission as well as expanding our fundraising opportunities. Our annual Women's Achievement Awards event typically raises enough donations to fund 15 college scholarships and recognizes local women leaders throughout Orlando that are making a difference.
